Re: *Application by SBC Communications Inc., et al. for Provision of In-Region, InterLATA
Services in California, WC Docket No. 02-306*

Dear Ms. Dortch:

On behalf of SBC Communications Inc. ("SBC"), and at the request of FCC staff, I am enclosing a CD containing a variety of files associated with Pacific's performance measurements for the month of August 2002. Specifically, the enclosed CD includes the following files:

1. An Acrobat document called "Performance_Measure_Reference.pdf," which is a chart listing each Checklist Item and the performance measures and submeasures associated with it.
2. A Word document called "PB_GoldIntroduction_Aug02.doc," which provides a summary of 12 months of CLEC aggregate results that are detailed within the Gold Report and describes the color coding conventions used in that report.
3. An Excel document called "PB_CopperPenny_Aug02.xls," which cross-references the numbered submeasures with their full descriptions.
4. An Excel document called "PB_SpecialHOMR_Aug02.xls," which contains the past four months of data.
5. An Excel document called "PB_Pyrite_Aug02.xls," which contains the Gold report information (without the charts), as well as the derived p-Value and the critical p-Value for aggregate CLEC results.

REDACTED – FOR PUBLIC INSPECTION

6. An Excel document called "PB_StateResults_Aug02.xls," which contains statewide aggregate CLEC results for those measurements that are officially reported by the four California Areas (North, Bay, LA, and South).
7. A folder called "Gold Pdf" which contains Acrobat documents (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure.
8. A folder called "Gold Excel" which contains Excel documents (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure.

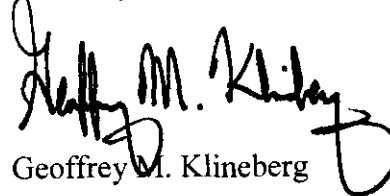

In addition, we are filing a revised version of the confidential Attachment B to the Affidavit of Thomas J. Makarewicz (App. A, Tab 14). This revised version corrects a few typographical errors contained in the original version of the attachment.

According to the Commission's rules governing confidential communications, I am enclosing one original copy of this letter with the confidential enclosure. Inquiries regarding access to the confidential material submitted with this letter should be addressed to Jamie Williams, Kellogg, Huber, Hansen, Todd & Evans, PLLC, 1615 M Street, N.W., Suite 400, Washington, D.C., 20036, (202) 367-7819.

In accordance with this Commission's Public Notice, DA 02-2333 (Sept. 20, 2002), SBC will file an original and two copies of the redacted version of this letter and enclosures.

Thank you for your kind assistance in this matter.

Sincerely,

Geoffrey M. Klineberg
